

Plan & Plant Design Service

FarWest
landscape + garden

Let's design your space up to 400 sq ft total
Example: 10'x 40', 12'x 33', 8' x 50'ft or 20'x20'

This program gives you a professional design for a 400 sq. ft. or smaller area of your landscape. It's perfect for DIY projects and has helped many homeowners successfully create the outdoor space they envision—one area at a time.

Meet your designer- Stacie Gombert

Stacie is our Plan & Plant designer and brings over 10 years of experience transforming landscapes for happy clients. She holds a BA from the University of Kansas, an Associate's Degree in Horticulture, and a Landscape Design Certificate from the Garden School in London. A truly talented designer with a passion for thoughtful, beautiful outdoor spaces, Stacie is excited to meet with you and get your project underway.

3 EASY Steps to this Program:

- 1** Purchase your Plan & Plant program for \$300 online at farwestgardencenter.net/shop. You will receive an email with the link to fill out your design form, including uploading photos onto the form. Click the button to fill out the form here: [Form Link Click Here](#)
- 2** Fill out your design form, all parts of the form have required sections. Please email **1 or 2 photos of the area to be designed** as well as **one photo of your sketch of the area** with measurements to stacie@farwestlandscape.net. When you hit the submit button, your design form is emailed directly to the landscape designer. In 2-3 weeks, Stacie will send you a calendar link to schedule a day & time to meet and go over the design here at FarWest Garden Center.
- 3** Meet Stacie here at the garden center to review the design for an hour. You will receive your \$50 gift card to use on plants at FarWest during that visit.

After your consultation, our friendly, knowledgeable garden associates can help you select the plants outlined in your design and arrange delivery if needed. We also offer planting services for 2-gallon and larger shrubs and trees should you want assistance.
